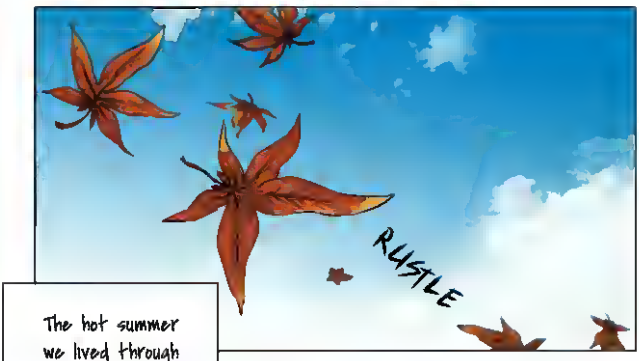
Episode 7 Our Short Winter..(The Good)



The hot summer we lived through crumbled away.

leaving a lonely and chilly autumn in its place.

In the blue sky, a sea of red goldfish*, are swimming at last.

*(TN: IF IT ISN'T OBVIOUS, HE IS POETICALLY REFERING TO THE LEAVES.)

Red goldfish...

are ~~starving~~ swimming at last.

Red goldfish.....

What do goldfish taste like?
I like deer meat.

Tonight's dinner will be deer meat.

Written by Kim Neukdae

The Birth of School in the Wild

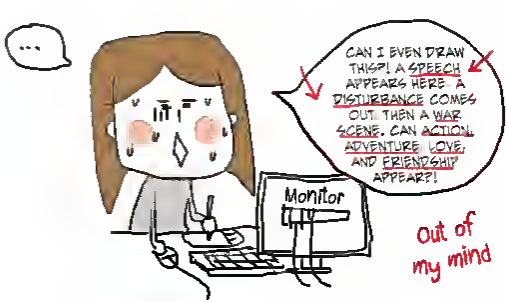
"SCHOOL IN THE WILD" STARTED AS A NAVER CHALLENGE SERIES BACK IN SEPTEMBER OF LAST YEAR (2011).
A LITTLE LATE INTO THE SERIES, I BECAME AN MANHWA-GA* FOR DAUM. THE SERIES' TITLE BACK THEN WAS "TOM CAT!"
Tom Cat!
Blinded by Beasts★
★★★★★
*TN KOREAN EQUIVALENT OF A MANGAKA, COMIC ARTIST)
The situation changed, and so did Tom Cat, in a good way
Woof!

When the series reached it's 4th season, messages from Daum webtoon contest reps came in piles
Now, I'm happy to be where I am now

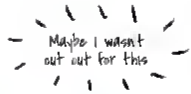
This webtoon was my first Challenge submission but also my debut work
At the same time though, I was also preparing another story

It was going to be set during the Joseon dynasty with these characters above. It was going to be a historical action/suspense/thriller/fantasy/adventure
In the end, the contents became a hot mess

I excitedly finished planning out the characters and began writing the story but suddenly I began to think



...
CAN I EVEN DRAW THIS?! A SPEECH APPEARS HERE. A DISTURBANCE COMES OUT. THEN A WAR SCENE. CAN ACTION, ADVENTURE, LOVE, AND FRIENDSHIP APPEAR?!
Monitor
Out of my mind



Maybe I wasn't
cut out for this

pile of
soda bottles

LET'S CLEAR
OUT THE
TRASH OF
SOCIETY...

The days that followed, even with my sketchbook open, turning my ideas into drawings was difficult. Such a disgraceful downgrade.

It seemed like I needed to study more. I thought once I got used to the basics, I could draw comics.

HMM. FIRST THINGS FIRST, I WANNA PRACTICE TIGERS AND OTHER ANIMALS...
HUMANS TOO SINCE I'M LACKING WHEN IT COMES TO THE HUMAN BODY...
ANIMALS AND HUMANS...
...

ANIMALS AND HUMANS...
ANI-MAL... HUMAN...
...

AH!

SLEEPY!!
DOZES OFF
ZZZZZZZZZ

<Human> and <Animal> were the keywords here.
but stories about people raising animals were too common.
but how about a story about animals wanting to be human?
That was what I was thinking.

Your story idea is very interesting! Especially you replacing the people with animals!

A: How I came up with the story is drawn above. The idea of animals changing to humans is actually a common element in fantasy Keke

Hanbi 2012/02/14 15:51

At the beginning, I remember there was a small barrage of criticism about warks aimed at women having male readers, what do you think about this?

A: If you just focus on the story such controversies should disappear without needing an explanation. Some times if people just use their common sense rather than being swayed by what's popular in the media and amongst the public you wouldn't have to worry about such an issue

Yopbul 2012/0_/15 2? 17

Hunting at school and areas deemed protected is prohibited Hahahoho...
Even if it's your friend, you can't really resist your natural hunting instincts. Does that mean it's not a crime to hunt someone out of the restricted areas?

A: Yup. Other than the restricted areas, the rest of the areas are just a like a normal, wild forest. "Bonobono" is a cute cartoon but somewhere else in the forest, a tiger is eating a rabbit.
(TN: BONBONO IS A JAPANESE CARTOON SERIES ABOUT A SEA OTTER AND HIS ADVENTURES WITH HIS FOREST FRIENDS.)

Dino Ddeok 2012/0_/14 1 6

I have a question on the absence of Ohri's biological father! While the mother followed the rainbow bridge to heaven, where has the father gone to! Keke

A: According to the internet, he's up for sale

He's not in the picture
When Ohri's mom was being chased, he was already dead T_T

Sharn 2012/0_/14 0 1b

Writer-nim, tell me your three sizes.
(TN: NIM IS A TERM USED TO ADDRESS SOMEONE RESPECTFULLY. THREE SIZES IS HER BUST, WAIST, HIP SIZE.)

A: Reply | Delete Report

-nim, report him.

Yolli

When can I turn into a wolf?

A: When you end up in a cartoon maybe

FriendlySun

Is Horang-seonsang-nim married? (If he is, can we have a pic of his wife?♥)

A: This is Manul-nim Here

(TN: MANUL OR PALLAS' CAT IS ACTUALLY A SMALL BREED OF WILD CAT, NOT A TIGER THOUGH HAHA)

KIM 2012/02/14 11:47

We always see the cute, idiotic Neukdae, I wanna see the cool Neukdae * _ *

A

Fail.
(I'm sorry.)

HEE 2012/02/[illegible]

In School in the Wild, all the students walk on the ground on two legs in human form, but the crow has his wings out in animal form, aren't student not allowed to do that?

A If you go back and look carefully you'll notice who the character is. He is Dokgosun-seonsaeng-nim he is the only one allowed to do so at school

(TN: DOKGOSURI = EAGLE)

Joging 2012/02/14 12:12 / MEGAMIND 2012/02/17 08:27

When Oh Daram was a kid, when he turned into a human did he have ears and tail? Can you show us a picture of it...Keke.

A How an immature animal looks like in human form depends on the species, the characteristics vary. Things like wings won't perfectly transform into human form until they are older. Think of it like the transformation from tadpole to frog (tail will disappear). Once they master human form, things like ears and tails won't appear.

Oh Daram Childhood Days Jpg

MEGAMIND 2012/02/17 08:06

Will Season 2 be a full story type?

A. Season 2 will be like Season 1, 2-3 chapter long are episodic comics
That's how I planned out this series since the beginning

As you can see, although I only have 8 chapters and it may be a little awkward, please don't feel troubled and write reviews

Also, to improve on my current working environment and fix some parts of Season 2, I will need a few weeksfor a warm-up period to get prepared.

Although the period is a bit long,
it seems from the reviews, a couple weeks
would be a decent amount of time

Season 2 wouldn't be here without you guys so I'd like to sincerly thank from the bottom of my heart, the readers!
